On a separate page, please answer the following:

1. Briefly describe the after-school program and your role in the program. Please include the age level and population served, and the program focus/mission.
2. Why do you want to participate in the Writers' Retreat for Youth Educators?
3. Are you currently working on a piece of writing? If yes, please describe. If you have written about your work in the past, please describe. If you haven't begun to write, are there ideas or topics in your work as a youth practitioner that you would like to write about?

I understand that participation in the program requires attendance at all four days of the Writing Retreat, (9AM—3PM), four follow-up sessions in the fall, and the completion of a professional article.
